

A-SAFE

Wall Buffer

A wall-mounted buffer to provide space-saving protection against impacts from hand propelled items such as multi-shelved goods trolleys or hospital patient trolleys.

Durable, resilient and highly visible, it prevents dents and scuffs, and maintains the appearance of structures and surfaces.

Engineered for performance

○ **Ultra-low maintenance material** is chemical and water resistant, non-corrosive, non-scratch and self coloured so no repainting, rusting, flaking or corrosion.

○ **Self coloured and UV stabilised** for continued high visibility and long lasting aesthetics with no repainting.

○ **Low and high level protection** from bumps and scrapes, can be positioned at prime scuff-points on wall, preventing costly maintenance from wear and tear over time.
